To the Officers and members of the Union Cemetery
Association

We your Committee appointed April 28th
1877, to examine, Constitution, Maps, By Laws & and
to re-assess the unsold lots in the Cemetery grounds
and report thereon to the Association, at an adjourned
meeting to be held at the Court House May 8th 1877, sub-
mit the following:

That by the Articles of Association (Article 5 Sec
4) it is provided that the burial lots shall be
assessed at a price fixed by the Association, at which
the Directors shall sell lots to individuals

That at a regular meeting of the Association held
February 27th 1860, the price at which lots should be
sold was fixed at \$10. for the smallest, & \$15 for the

medium and \$25 for the largest size, which in our opinion is well below their actual value

We also find that in 1872 the Association ordered a new survey and plan of the South-Eastern half of the grounds, and in the office of the Superintendent we find such map, but nowhere find in the records, that it has ever been adopted or approved by the Association and in 1873 the Association authorized the directors to fix the price of lots but it nowhere appears what price they did fix upon them but as a fact sold lots at \$12.00, which map materially changes the form and size of the lots between Central and Southern Avenues

In our opinion, judgment, the change made by the new map is advantageous and must of necessity now be adopted as a considerable number of burial lots have been sold as laid out upon it, which map we herewith submit and recommend that it be adopted and a copy of it filed in the Recorder's office of San Mateo County.

We further recommend the adoption of the following order

1st Order, That the assessed value and price at which all of the unsold lots bounded by Central, Western and Northern Avenues shall be fixed as follows, Lots No 7 at \$20, 8 at \$15 Lots between 4th & 6th Sts at \$20, between 6th & 7th Sts at \$30, between 7th & 10th at \$15, between 10th and 14th at \$18, between 14th & 16th at \$20, between 16th & 18th at \$25, between 18th & 20th at \$30 between 20th & 22nd at \$35, between 22nd and 25th at \$40 between 25th & 28th including Lot 187 at \$50 excluding fractional Lots No 169 at \$35, 176 at \$25, 183 at \$20, 186 at 15, 180 at \$40, 189 at \$25 190 at \$40, and the tier of Lots North of Northern Avenue Nos. 202 to 233 inclusive at \$15 excepting final Lots 202 & 230 at \$10 each.

3^d That Lots 1 & 2 near the entrance be reserved subject to the direction of the Board of Directors, to run Southern and Northern avenues straight through them to Union Avenue, and should such change be made the strips of ground remaining shall be reserved for ornamental purposes, and that Lot 3 between Central and Northern Avenues and Fountain Reservation be reserved subject to the further orders of the Association

4th That the directors be and they are hereby authorized to sell the rights to a single burial in Lots 20-21-22 & 23 Block G, and such privileges when sold shall be numbered consecutively commencing in the North Westerly corner of the Block, and that a record be kept of all burials made therein giving the name of the deceased and the number upon which entered

5th And it is further ordered that the Board of Directors may sell either the Northerly or Southerly half of any one of the unsold lots lying between Central Western and Northern Avenues and 18th Street to any person desiring to purchase the same half of any of said lots provided that such sale shall not be made for less than one half of the price fixed thereon
