

3-3-1859 Union Cemetery Assn -

p 2

... The Assn met on Mon eve last... the lands of the Assn had been paid for and fenced and the organization is not in debt. A map of the grounds was also presented and adopted, and the mode of selecting lots determined. On the following day a meeting was held on the grounds, and several lots selected. Other members can select at any time.

The lots are now ready for sale, and as every dollar received goes toward the improvement of the grounds, it is to be hoped a large number may soon be taken.

The grounds are finely laid out - the lots large and beautiful in fact the great size of many of the lots is the very feature which can well be found with the plans.

The prices vary from ten to twenty five dollars, thus putting them within the reach of all.

The officers of the past year were unanimously re-elected by acclamation.
